college in Thalagattapuzha
I am fine I hope by the grace of god
the all mighty you too are fine

In month of May 18th I got my 2nd puc result
in that I got 48% then I planned to join B.com course.

In June I took application from so many
colleges but I joined some college in July.

In the same month my college was opened
that time I enjoyed a lot while meeting my new friends
I made friendship with all but the subjects are very
different and also it is very easy to learn but
7 subjects.

In month of August in our church
we celebrated our Mother Mary festival its too nice & also
in our college all are planned to celebrate Independence
day that day totally I enjoyed a lot after the I
went to school also I met my all school
friends.

In month of September in our college we
celebrated Teachers day we did very well it was
a Amazing day we cutted the cake by our class teachers.
